

HOW TO DONATE HAIR

CHRISTALine Studios' WIGwell initiative and the University of North Carolina School of the Arts' Medical Wig Class accept hair donations longer than 3 inches. All hair textures and colors are accepted. We even accept chemically treated hair donations. To donate:

1. Rubber band your hair in 3-5 sections, with the rubber band being closest to the scalp on the section of hair you are cutting off.
2. Cut your hair above the rubber band so the cut hair is bound neatly by your rubber bands and does not fall to the ground.
3. Place the hair into an envelope with the completed form below.
4. Ship the envelope to:
